1 March 2023

Centre For Regenerative Medicine and Health,
Hong Kong Institute of Science & Innovation,
Chinese Academy of Sciences (CRMH)

Dear Sir/Madam,

Please be informed that ██████████ (Hong Kong Identity No.: ██████████) has started her full-time PhD study at the City University of Hong Kong since September 2020 with funded by University's Non-UGC funds (InnoHK program with CRMH).

I have assigned ██████████ to perform general cell line experiment in CRMH laboratory from 1 March 2023 to 30 April 2025 and medical insurance provided by the City University of Hong Kong will cover her duties performed in the above-mentioned venue with the specified period.

As requested, please note that ██████████'s emergency contact is provided as follows:

Name: ██████████

Phone number: ██████████

Email: ██████████

If there are any questions about the appointment of ██████████ please contact our laboratory manager ██████████ at ██████████

Yours faithfully,

██████████
Principal Investigator
Supervisor of ██████████
